From Geoffrey's Desk . . .

Let me begin by thanking *Michael Compton* for his willingness to accept the assignment of serving this church as a deacon over Building and Grounds. I have known Michael since he was a member of our youth group (at the Madison Street Church of Christ), and as a matter of fact, I baptized him as well. His wife, Jill, heads up *The Park*, our Preschool that meets at the building each week during the school year, and she is doing a great job with that program. We wish Michael all the best as he takes on this important area of service for this church.

This coming Sunday, our youth group is going to be serving a *Valentine Lunch*, and I am looking forward to being

a part of that. As a matter of fact, a number of events are on the horizon, so I encourage you to scroll down through this Messenger and make note of all of them. One, in particular, is the visit one week from Sunday (**February 9**) of the *High School Concert Choir* from the *Clarksville Christian School*. We will be providing a potluck immediately following our morning worship assembly. I continue to remind you that we will have a number of guests that morning, and that means that we need to make sure that we bring plenty of food. I hope you are already planning your menus. I also hope you will be staying after our potluck that day to hear the program that will be presented by the chorus. I know that they will do a great job, and you will be glad to be there.

Finally, this coming week, I will be spending some time at the *Freed-Hardeman Lectureship*, and I am looking forward to the week. However, before I hit the road, I will be here for the activities of Sunday, and I will plan on seeing you then.
