### **From Geoffrey's Desk . . .**

As I write, news is still being processed in the aftermath of yesterday morning's tornadoes that moved from Nashville to Cookeville and the plateau. There appear to be deaths among two different youth ministers' families in Cookeville, and the total number of fatalities is more than 20. I am thankful that the loss of life was no greater. *Churches of Christ Disaster Relief* teams have already been deployed, and if you would like to give to their efforts, you may earmark

a check for that cause. You may also simply give to *Church of Christ at Trenton Crossing*, and we will make sure that funds get to where they are most needed. I am thankful for the work that is already being done, and I hope we will all be continuing to lift up prayers for everyone who has been affected.

**This coming Sunday evening** will be a special one for us at Trenton Crossing. At **6:00**, we will be hosting the monthly youth Area Wide. **David Skidmore** will be our guest speaker. He is the youth minister for the *North Boulevard Church of Christ in Murfreesboro*, and he always has great lessons. Our own **Jesse Russell** will be leading the singing. Everyone is encouraged to come for that. I know it will be a great evening.

Finally, it's that time of year when Daylight Saving Time begins. Remember to set your clocks ahead (if it isn't taken care of automatically) before going to bed **this coming Saturday night**. I will look forward to seeing you bright and early Sunday morning.
