From Geoffrey's Desk . . .

Well, it was wonderful to assemble again this past Sunday after ten weeks away. We had nearly 150 in attendance, and I am looking for that number to grow week by week. At the same time, the elders want to encourage you to stay in right now if you are not yet comfortable being in these kinds of group settings for whatever reasons (age, health, etc.). I appreciate the input from our gathering, and our Assembly and Worship ministry is going to be taking your comments into account when they meet this week. I urge you to continue to keep this process of reopening in your prayers.

We are planning on honoring our graduating seniors on **Sunday, June 14**. In conjunction with that, we will be

taking up our annual contribution to help students who are going to schools that are affiliated with Churches of Christ. I hope you will be prepared to give generously to that cause.

Finally, I hope we will all be in prayer for this country. Obviously, things are unsettled, and lives have been turned upside down, but I hope that through it all, we will always be a people who respond in love to whatever comes our way. Situations such as the one we are in can be a test of our Christianity, but let's remain firm in our faith. Let's always be open to lifting up the marginalized, and let's champion the cause of justice for everyone, regardless of status. Most of all, in whatever we say or do (or post), let's make sure that we are showing to the world that we are followers of Jesus.

REOPENING Guidelines and Notes

The elders encourage senior members, anyone with chronic underlying medical conditions, and anyone who feels uncomfortable due to the situation with COVID-19 to strongly consider staying at home during our initial re-opening period.

Please stay home if you have a fever or are not feeling well.

Please enter by the main entrance in the FRONT of the building if possible, although you may enter by the LEFT covered entrance (by the kitchen) if needed due to inclement weather or some other

reason. All other entrances will be locked, and because of this, everyone is asked to park in the FRONT of the building.

Although wearing masks will not be required, we encourage you to wear one if you would feel more comfortable in doing so.

Security team members will be at the doors to assist everyone in entering and leaving the building.

Seating will be appropriately spaced to allow for social distancing, and families are asked to sit together.

We are planning for our initial assemblies to be shorter than usual.

We will not be passing trays for communion or our contribution. Rather, we will have “stations” set up where you can get your own communion and leave your contribution. If you are unable to go to a station, you will be served at your seat.

You are also welcome to bring your own communion if you like.

The Fellowship Hall restrooms will be available if needed. There are changing tables in both restrooms. All other restrooms will be closed. Water fountains will not be available during our time together.

The nursery will not be attended, and it will only be

available if needed by nursing mothers. We will also not be offering WEE Study or Ministry 937 at this time. Except for nursery access, the hallway leading to the Park and the office wing will be closed. The elementary wing will also be closed.

Hand sanitizer will be available at various places throughout the gym.

Sunday and Wednesday classes will not be resuming until further notice.

We encourage those who will be staying home to continue to worship with us each Sunday morning at 10:00 via livestream on our Facebook page and on YouTube.
