**FROM THE ELDERS:  
FACE COVERINGS/MASKS ARE REQUESTED  
AT OUR SUNDAY MORNING ASSEMBLY  
(Please see details below)**

As you know, we are continuously monitoring the ever-changing situation with COVID-19 in Montgomery County, and due to a stabilization in hospitalizations, we have decided to begin meeting again on Sundays. Please note the following items:

**WE HAVE RESUMED our in-person 10:00 worship assemblies.**

**WE ARE ASKING EVERYONE MIDDLE SCHOOL AGE AND UP to wear a face covering or mask while you are in the building,** unless doing so would create a health difficulty.

If you or your family members are in need of masks, they will be available at our Welcome Center.

We realize that many people have differing views on this matter, and we encourage mutual respect for each other during this most unusual time.

We welcome any input, and we ask for your prayers and understanding in this matter.

### **From Geoffrey's Desk . . .**

It was good to be back together this past Sunday, and now I am looking to make it two weeks in a row. As you can see from the box above, the elders' request for face coverings or masks remains in place. I know that they want to thank everyone for their cooperation this past Sunday. When I looked out this past Sunday and saw the masks on the faces of middle schoolers through adults, I had no idea what the mask wearers actually thought about the specific situation. I know that there is not agreement on the effectiveness of masks, but I do know this: I saw people who were respecting a request from the elders. If this is an

overabundance of caution, then so be it, but I appreciated the cooperation. As I have said before, this is a situation that can change from week to week, so please continue to pray for wisdom to guide the decisions that are being made for this body of people.

This coming Sunday, two special things will be happening. One is that, in addition to our regular offering, we will also be taking up a special contribution for the work of *World Christian Broadcasting*. *WCBC* has been broadcasting since 1983, and that work has the potential to reach a major portion of the world via shortwave radio. I hope you will be prepared to give generously. (You can also give through our app [TrentonCrossingChurch], over our website [www.trentoncrossingchurch.com], or by getting a check to the church office.) In addition to that special contribution, I will be co-preaching with **Raleigh Whelan**, one of our teens (and grandson of **Robert and Bonnie Duncan**). Raleigh and I have been working hard on a lesson about being ready for every good work, and we are looking forward to sharing it with you. I will look forward to seeing those of you who will be with us this Sunday.

Although we have resumed our 10:00 worship assemblies at the building, we encourage our senior members to consider staying at home during this time. In addition, if you have any symptoms of COVID-19 or have any reason to suspect that you have been exposed to someone with the virus, please wait for a couple of weeks before rejoining us. We also encourage anyone with underlying conditions to seriously consider not meeting with us at this time. Finally, if you are not comfortable at this time with our group gatherings, please do not feel like we expect you to be here.

We still invite you to “join us” for our 10:00 Sunday Livestream over Facebook (Church of Christ at Trenton Crossing), our website ([www.trentoncrossingchurch.com](http://www.trentoncrossingchurch.com)), or our YouTube channel (Church of Christ at Trenton Crossing).

## Special Contribution

World Christian Broadcasting

**THIS Sunday, August 16**

This Sunday, August 16, we will be collecting a Special Contribution for World Christian Broadcasting. World Christian Broadcasting's purpose is to take God's Word—

through mass media and shortwave radio—to people who may have no other means of hearing the Good News.

The message of God is relevant to all time, yet the ways that message is delivered must stay current. World Christian Broadcasting's international shortwave broadcasting communicates the Good News to millions every day. KNLS, located at the top of the world in Anchor Point, Alaska, has been on the air since 1983. A new station, located on the island of Madagascar in the Indian Ocean, began operating on Easter Sunday, March 27, 2016. In addition, each of their seven languages offers its own website, so that people out of broadcast range can still read important, life-giving messages.
