TONIGHT
END OF SUMMER PICNIC
6PM at the Building
Bring lawn chairs or a blanket

From Geoffrey's Desk . . .

As I write, I am looking forward to tonight's *End of Summer Picnic* at the building. If the weather forecasts are anywhere near accurate, we still have a bit of summer left to go, but now that we are on the other side of Labor Day, fall will soon be knocking on the door. Although we hated to postpone the event last week, that decision turned out to be the right one as rain moved in right at 6:00. The forecast for

tonight is for absolutely clear skies and a warm, pleasant night. **Chris Middleton** and the youth group are coordinating things, and **Frank Walton** is heading up the cooking operation. We are going to have burgers, hot dogs, mac 'n' cheese, and more. Bring lawn chairs or a blanket, and join us **tonight at 6:00 at the building** if you can. Once we finish eating, we will enjoy a period of singing. I am looking forward to the time together.

Veterans' Home Gift Baskets

Twice a year, youth and volunteers involved with the Y.E.S. Organization visit with the residents at the Tennessee State Veterans' Home. This year, due to COVID-19, the residents are not receiving visitors. The Y.E.S. Organization would still like to show our appreciation to these individuals. They want to provide care packages for the 90 residents, and we are asking for your help in supporting this mission. We are asking for:

- word search puzzle books

- jig-saw puzzles (50-100 pieces only)
- adult coloring books and adult pencils (no crayons)
- magazines that are no older than January 2020. The magazines that are most requested are: Women's Day, USA Today, Home and Garden, Good Housekeeping, and Reader's Digest (Reader's Digest magazines do not have to be new. They can be issues you have in your home and no longer need, or you can purchase them new).

We will be collecting these items September 5 thru October 5. There is a collection bin at the Welcome Center in our Worship Center to collect items. If you have any questions, please see Ken or Diana Roberts.

Help for Local Students

Many have asked about Backpack Buddies this year. With the uncertainty surrounding the school year, along with several new groups doing similar projects, we have transitioned to a new way to help. We have partnered with the FIT program in the school system. The FIT program works with school families who are struggling with housing security. We will be a resource for them through the year,

helping to supply whatever we can to support students on the edge of homelessness. We have already supplied food and clothing for one family and are waiting for more needs as we move into the school year. We will be asking for extra donations from time to time in order to help with these efforts. If you usually help with Backpack Buddies donations and would like to be proactive in this area, you can go ahead and make a donation to so that we are ready to meet the needs that arise.

Donation

Christian and Jonathan Over made a donation to the F.U.E.L. Program in memory of their mother, Katy Over (daughter of Ed and Chris Watson.)

**FROM THE ELDERS:
FACE COVERINGS OR MASKS ARE REQUESTED
AT OUR SUNDAY MORNING ASSEMBLY**

As you know, we are continuously monitoring the ever-changing situation with COVID-19 in Montgomery County, and due to a stabilization in hospitalizations, we have decided to begin meeting again on Sundays. Please note the following items:

WE HAVE RESUMED our in-person 10:00 worship assemblies.

WE ARE ASKING EVERYONE MIDDLE SCHOOL AGE AND UP to wear a face covering or mask while you are in the building, unless doing so would create a health difficulty.

If you or your family members are in need of masks, they will be available at our Welcome Center.

We realize that many people have differing views on this matter, and we encourage mutual respect for each other during this most unusual time.

We welcome any input, and we ask for your prayers and understanding in this matter.

Although we have resumed our 10:00 worship assemblies at the building, we encourage our senior members to consider staying at home during this time. In addition, if you have any symptoms of COVID-19 or have any reason to suspect that you have been exposed to someone with the virus, please wait for a couple of weeks before rejoining us. We also encourage anyone with underlying conditions to seriously consider not meeting with us at this time. Finally, if you are not comfortable at this time with our group gatherings, please do not feel like we expect you to be here.

We still invite you to “join us” for our 10:00 Sunday Livestream and throughout the week in the various ways that are listed in the box below
