FROM GEOFFREY'S DESK . . .

Let me begin by thanking you for your kind words this past Sunday on the beginning of my 35th year with this church. I never imagined this kind of tenure when I began my work on Madison Street all those years ago. So much has happened since then, and this past year has brought some unique challenges with it. As the COVID vaccine is becoming available, there is a genuine hope for brighter days ahead. I pray we will be open for the opportunities that come our way. I am thankful that we have resumed our in-person meetings, and I pray that there will be no need to discontinue them in the future. We are facing a reset of

sorts, and patterns have been disrupted. I am looking forward to returning to a sense of normalcy and to experiencing greater fellowship than we have had in a while. As I have said before, working together, we can do great things for the Lord in this coming year.

I want to extend my sympathy to **Blakey Bradley** in the loss of his brother, **David** (who was also **Steve Bradley's** uncle). David and his wife, **Shirley**, were with us for several years when we met at Madison Street, and his care for the church was always evident. We pray for God's hand of comfort during this time.
