FROM GEOFFREY'S DESK . . .

Could it be that winter is behind us for this season? The long-range forecasts are all warmer, and last week's piles of snow are nowhere to be found. Not only that, but things are looking brighter on the COVID front with the continuing distribution of vaccines. I am thankful for the progress that is being made and for everyone who is working so hard to make it happen. The warmer weather and the loosening of distancing restraints have both come at a great time for the *Walk4Water* that is scheduled for **May 1**. You will be hearing more about this over the next few weeks, but for now, I encourage you to scroll down for more information.

This coming weekend is the "virtual" *Pickin' &*

Ribs dinner to raise money for *Lylewood Christian Camp*, and even though there will be no gathering in person, this year's ticket sales have been at an all-time high. Thanks to everyone for all the support, and be sure not to forget to pick up your food on **Saturday night**. You can chow down on your meal while you are watching some pre-recorded entertainment online.

Finally, for those of you who will be traveling this coming week due to Spring Break, I pray for safe journeys. Take care, and I will look forward to seeing you following your return.

Walk4Water is a fundraising program within Healing Hands

International that helps support its water ministry. Starting in 2007, Walk4Water has hosted events in communities all over the nation at schools, churches, and other organizations. The goal is to bring the life-saving gift of clean water to those who need it so desperately. HHI has funded drilling for clean water since 2001, and they completed their 1000th well in April 2018. Because of their efforts in the name of Jesus, more than 2 million people have been given access to clean water.

For those interested in working as a volunteer, the first meeting will be held on Tuesday, February 23rd, at 6:00 PM in the Fellowship Hall at Trenton Crossing.

AT OUR SUNDAY MORNING ASSEMBLIES**

WE ARE ASKING EVERYONE MIDDLE SCHOOL AGE AND UP to wear a face covering or mask while you are in the building, unless doing so would create a health difficulty.

If you or your family members are in need of masks, they will be available at our Welcome Center.

As you know, we are continuously monitoring the ongoing situation with COVID-19 in Montgomery County, and we will implement any changes that we feel are needed. We welcome any input, and we ask for your prayers and understanding in this matter.
