FROM GEOFFREY'S DESK . . .

Let me begin by thanking everyone who played a part in making our first Walk2Water a great success. We were blessed by beautiful weather this past Saturday, and after all funds that were given had been tallied, the amount was in the neighborhood of **\$16,000**. That is more than enough to pay for two wells that will be able to deliver clean water to areas where it is most needed. A huge thank you goes to **Chris Middleton** for being out Trenton Crossing point man for this project. He has spent a number of hours working on making sure that everything was ready to go. We already have the date of **May 7** scheduled for next year, so

go on and put that on your calendar.

I want to continue to encourage you to take advantage of the various opportunities that are available on Wednesday nights at our building. We have gotten off to a great start as we have opened our midweek gatherings back up, and we would love to have you be a part of it. Come on out and join us.

Finally, this coming Sunday is *Mother's Day*. I know that some of you will be traveling, but I will look forward to being with those of you who are here. And speaking of mothers, we have several among our church body who have become recent mothers. On **May 23**, we want to have a special prayer blessing for all of our children who are under the age of 4. We are planning on presenting Bibles to those children, so if you would like to make sure that your child receives one, please contact the office.

Our Walk 4 Water event was amazing!! We had 13 area churches participate, 175 walkers, and we raised more than \$16,000. The amount we raised will cover the expense of installing 2 wells.

Thank you to the Middletons and everyone who helped make this event so successful. Thank you to all who donated, those who walked, and those who came out to support the event.
