FROM GEOFFREY'S DESK . . .

Can we have come to the end of 2022 already? And are we still talking about COVID? Who knows what lies ahead in the coming year? Well, the answer is that God does. Let's recommit ourselves to following the path He lays out for our lives in the coming year.

I wish you all the best over this holiday season. Be safe, and for those of you who aren't traveling, I will look forward to seeing you Sunday. And as a matter of fact, I hope you are able to come on out **tonight at 6:30** for our special devotional and enjoy some cocoa, cider, and carols. See you there if you can make it.

Wednesday Night Ladies Bible Class

In our Wednesday Night Ladies Bible Class, we will be finishing the Women of the Word in December and will be ready to start the Genesis Study beginning January 5th. We will be studying "God of Creation" by Jen Wilken.

The opening chapters of Genesis teach us fundamental truths about God. We watch Him bring light after darkness, order after chaos, and rest after toil—all through the power of His Word.

Over 10 sessions of verse-by-verse study, dive into Genesis 1-11 by following three critical stages of understanding: comprehension, interpretation, and application. Revisit familiar stories and historical figures, challenge your basic knowledge, and discover deeper meanings in the text. As God reveals Himself through Scripture, we can only begin to understand ourselves when we first glimpse the character, attributes, and promises of our Creator.

We will be ordering books soon. Please sign up on the Sign-Up Board if you plan to join us.
