### FROM GEOFFREY'S DESK . . .

As many of you know, this past Sunday, the sermon was based on the parable of the talents, and there was a challenge for all of us to use the various “talents” God has given us—not to mention NOT BURYING those talents. I want to thank you for your response. I understand that several of you expressed an interest in helping in our teaching program. There is always a need in that area, and your commitment can be as short as three months. If you were not among those who met about this after our worship assembly, there is still plenty of time for you to get involved. Just say something to **BJ Worthington, Karen Bradley,**

**Gwen Huggins, or Megan Kent.** The work you do can make a difference in the lives of a number of children here.

I continue to thank you for the way that you have responded to filling buckets to be sent to Ukrainian refugees by *Healing Hands, International*. As we all know, the need is overwhelming, but I am sure that those who receive these buckets will have their spirits lifted by knowing the love and concern that lies behind them.

Friday night was a cause for rejoicing as **Jacob Howe** (fiancé of **Kaleigh Hayner**) was baptized into Christ. We are thankful for his decision, and we wish Kaleigh and Jacob all the best as they make plans for their life together.

Finally, **this coming Sunday**, we will be taking up a special contribution for Youth Missions. Among other things, this money will be used for the work of *Memphis Work Camp* in June. I hope you will come prepared to give generously. I will look forward to seeing you then.

**Family Bucket Project**

We are continuing to collect buckets of supplies to be shipped to Ukraine refugee families. Please take a bucket and fill it with the list of supplies requested. The empty buckets are located near the church office. You can pick up, or drop off, buckets Monday through Friday, 9-3, or when you are here for Worship. Please tell your neighbors and friends. If you need more information, see Chris Middleton.
